Everyone deserves a chance to live a happy, healthy and productive life.
Ivy Simmons has been attending the Morristown Neighborhood House since she was three years old. Her grandmother Sandy Mintor, a first grade teacher at the Nabe, also attended the Nabe as a child, and knew that Ivy needed the stability that the Nabe family would offer her. Sandy and her husband Reggie assumed guardianship of Ivy after her parents lost rights due to addiction and incarceration. Ivy was shaken, insecure, extremely shy, and reluctant to make friends. That’s when the staff at the Nabe did what they do for all of their young students - offered love and encouragement, education and recreation, a safe space to grow, and most of all, fun.

Ivy blossomed into an inquisitive, active young girl during her time at the Nabe, learning skills in the classroom and beyond. She played basketball, learned to dance and play the violin, and made many close friends. Ivy just graduated from the fifth grade and is headed to advanced classes at Frelinghuysen Middle School. She is now confident and outgoing because of her very positive experiences and wants to help new students feel just as welcome and accepted into their new home at the Nabe just the way she was.

We are so proud of our shining star Ivy and know her future is bright!
A Message from our CEO and Chair of our Board of Directors

Happy, Healthy, and Productive Lives

We hope that this annual report will provide you with a glimpse of the powerful impact we make on our community. It is not just the specific programs that we provide but it is all the extras that allow us to make such a huge difference. We don’t just offer preschool, afterschool, and summer camp, but we infuse these programs with STEM offerings to keep our kids competitive and provide healthy meals and exercise to keep our kids healthy. We build pathways for our teens to succeed through jobs, tutoring and, most importantly, mentoring. We support our veterans, families, and seniors with a variety of other programs but also make sure they have holiday gifts for their children, Thanksgiving meals, and food and other essentials throughout the year.

We also believe that everyone deserves to be happy – the evidence of that impact is clear in the photos throughout the report.

As we continue to meet the needs of our community, we are deeply grateful to our donors, volunteers, community partners, board, and staff. Together we are building stronger communities – one life at a time.

Jane Wowk has been volunteering at the Neighborhood House for over six years, helping our students stay competitive in the classroom. Jane works in the Homework Center and has built memorable relationships with the students and their families.

Triplets Mayra, John, and Jennifer Verdugo first met Jane in kindergarten. With little command of basic English language and math skills, Mayra was hesitant to go to the Homework Center without her brother and sister. Jane was able to comfort Mayra and build strong relationships with the three siblings, whose academic performance has improved greatly over the years.

Two years ago, Jane also began working with the Verdugos’ cousin, Junior. She helped boost his academic confidence, and his exam scores gradually increased. Jane has made an incredible impact on the Verdugo family, and is excited to see them move on to middle school, and will attend their 5th grade graduation!
Wyndham Worldwide has taken Cornerstone’s mission to heart and, throughout 2016, has encouraged our clients to follow their dreams to become successful in career, service, and beyond.

Members from the Human Resources team at Wyndham Worldwide visited our Teen Tutors and Mentors to discuss the importance of finding a mentor, and they also provided our teens with interview tips and resume-building skills. These tools proved extremely helpful for our successful teens! Wyndham Worldwide volunteers also visited our preschoolers for crafts and fun activities that encouraged creativity in our young achievers!

Board member Bill Skrzat accepted Wyndham Worldwide’s Cornerstone of the Corporate Community award at the Bourbon & Bling Gala.

Thank you, Wyndham Worldwide, for being an exemplary corporation that contributes to our community.

Gala: Bourbon & Bling

A sold-out event, the 2016 Bourbon & Bling Gala attracted over 300 of our community’s most philanthropic individuals. Ready for a night of dining, dancing, and donating, nearly $250,000 was raised for Cornerstone Family Programs! Gary’s Wine & Marketplace provided a bourbon tasting during the cocktail reception, which tied together the theme perfectly. The pièce-de-résistance at the event was a priceless diamond ring put on display: for $125, one could purchase a raffle ticket to be drawn at the end of the night. This “Bling Pull” raised $12,500 at the event!

We gave special recognition to our two 2016 Cornerstone of the Community Honorees: Wyndham Worldwide and Board Member Bill Skrzat, and J. Michael Hopkins, Corporate Leadership Council Member and President of Global Technology and Operations at Broadridge Financial Solutions due to their commitment and dedication over the years to CFP. The community and their professional and personal networks showed full support by attending and participating in donations/sponsorships and ads in the commemorative journal! With a fantastic crowd, dining, dancing, and more, Bourbon & Bling set a new standard for the annual Cornerstone Family Programs Gala!
Cornerstone’s Signature Events

MQS Annual Golf Outing
Since 2011, Massey Quick Simon & Co., a wealth management and investment consulting firm based in Morristown, has committed to community engagement and philanthropic initiatives. Its Annual Charitable Golf Outing raises funds for local organizations, and, in 2016, we were happy to have been selected as the recipient organization of the golf event’s proceeds. With over 90 participants who spent a day on the breathtaking Ridgewood Country Club golf course, Cornerstone was awarded nearly $64,000! We would like to thank Massey Quick Simon for their steadfast dedication to Cornerstone, our community, and corporate volunteerism!

Bowl-A-Thon
The 9th Annual Cornerstone Family Programs Bowl-A-Thon raised nearly $90,000 for CFP! The event was held at Hanover Lanes in East Hanover, and attracted over 175 guests! Our sponsors and teams had a great time, great prizes were offered, and there was plenty of food, drinks, and laughs to go around! The highlight of the evening came from our own Board of Directors’ Chair, Hector Mislavsky, who won the 50/50 Raffle of the night, and generously donated it directly back to CFP. This event has become so popular and lucrative for Cornerstone!
Members of the 1813 Legacy Society leave a specific dollar amount or asset to CFP in their wills, or make residual bequests, providing Cornerstone Family Programs a portion of their estate after other bequests and expenses are paid.

We honor those who are committed to the longevity of Cornerstone Family Programs and who have helped make our organization what it is today.

By making a planned gift to Cornerstone Family Programs, you will join a remarkable group of people who have made a lasting philanthropic mark in our community. For more information, please contact Gwenn Heller-DellaPelle, Director of Development at gdellapelle@cfp-mnh.org or (973) 538-5260 ext. 316.

Cornerstone Family Programs
Founded following the War of 1812, Cornerstone Family Programs is an important part of the history of Morristown.

Formerly known as Family Services of Morris County, and finally Cornerstone Family Programs in 2013, the agency has garnered a legacy and reputation as being a part of, and not apart from the Morris County, New Jersey community.

Cornerstone provides careful attention and care to each child, adult, family, senior, and veteran served, and nearly 10,000 people in the Morristown area rely on Cornerstone Family Programs’ services to live the best quality of life, at all stages of life.

Together with full board participation, community planning and engagement, staff education and development, Cornerstone Family Programs continues this legacy as an organization committed to its mission of strengthening communities by helping people build better lives.

Morristown Neighborhood House
Morristown Neighborhood House was founded in 1898 as a settlement house that embraced the Morristown community's growing diversity. To date, Morristown Neighborhood House has remained a pillar of diversity and cross-cultural positivity in the Morristown area. The Neighborhood House is unique in providing a wide array of services that enhance educational and social development in Morristown's youth.

Because of its year-round resources available to children of all ages, the Neighborhood House has become a home to many of its families, promoting creativity, academic, and social potential with the ultimate goal of making a difference every day.

In 2013, Cornerstone Family Programs and Morristown Neighborhood House joined forces with this shared mission of serving the community. Together, the two organizations have impacted the lives of over 30,000 residents.
