Dear Friends,

We are thrilled beyond measure to welcome you in-person to the **Roaring Twenties Spring Gala!** This signature fundraising event has a 60-year history of supporting the important work of Cornerstone Family Programs and the Morristown Neighborhood House.

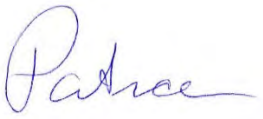
This year, it is our true pleasure to honor Michael Salerno for his many years of Board Service and support. Michael has provided steadfast leadership as a member of the Executive Committee, Governance Committee Chair, and Communications Committee Chair. We are so grateful to Michael for helping us to navigate through the immense challenges of the past two years.

In our 209-year history, we have never been prouder of the work we do in our community. Our children are safe, educated, active and fed. Our parents can work and provide for their families. Our seniors are finally able to see their friends and socialize. Tonight, you will hear from some of our teens about our program Pathways to Brighter Futures and hear why our work is life changing.

The Spring Gala is the culmination of many months of work (or maybe 2 years of work). This night would not have been possible without our Dinner Chairs, Frank Purdue, Keith Jones, and Todd Schermerhorn and the support of our Board of Directors and Corporate Leadership Council. I want to especially thank Gwenn DellaPelle and Michelle Bull and all the staff who are here this evening. They make the magic happen here and in our programs.

We continue to live our mission and help our neighbors. The demand for programs and services continues to grow and our communities face extraordinary hurdles and the uncertainty of long-term challenges. We cannot do it alone and count on you to support us this evening. Please have fun, give generously, and remember why we are here – ***we believe everyone deserves a chance for a happy, healthy, and productive life!***

Warm regards,



Patrice Picard
Chief Executive Officer

Better Lives, Stronger Communities

Cornerstone Family Programs and Morristown Neighborhood House together serve nearly 6,000 children, families, veterans and seniors in our community with a shared mission of *strengthening communities by helping people build better lives.*

Our children and youth receive quality educational and social development opportunities within a safe space. Morristown Neighborhood House offers year-round, full day preschool care, a comprehensive afterschool program, programs for teens as they prepare for life after high school, and summer camp programs to keep children safe while school is out of session. Our caring staff serves over 450 healthy meals and snacks a day, and 800 meals every day during the summer months, ensuring that our children receive quality nutrition as they reach their full potential.

We also open our doors to the community. Workforce preparedness, language education, and skill-building programs build resiliency in our families. Our parents can work and participate in our programs while knowing their children are safe.

Cornerstone Family Programs also supports the female veteran community. New Jersey's only Female Veterans Program run by female veterans, Operation Sisterhood, provides a peer-support model for our women in uniform.

Our seniors and caregivers at the Adult Day Center at Morris View remain active and healthy through daily social interaction and fun games. Caregivers are provided specialized support as they balance work and family time while taking care of their loved ones.

Cornerstone Family Programs and Morristown Neighborhood House make a difference every day in the lives of so many in our community. From our preschool toddlers to our seniors and caregivers, our programs give everyone the chance to live a happy, healthy, and productive life.

Congratulations to Cornerstone Family Programs and Morristown Neighborhood House on another successful year building better lives in our community.

Congratulations Mike Salerno on your outstanding service and dedication to our community.
