Dear Friends,

Welcome to the **Masquerade Ball** and what is sure to be a magical and memorable night. This signature fundraising event has been supporting the important work of Cornerstone Family Programs and Morristown Neighborhood House for over 60 years.

It is our pleasure to honor Dr. Judy Banks for her many years of Board Service and support. Judy has been a vital member of our Strategic Planning Committee helping to shape the future of the organization. Additionally, she has added her expertise to our Development Committee raising much needed funds for our programs. We are in awe of Dr. Banks' professional commitment to women's health and her passion for community service. She is an inspiring leader and makes all her communities better.

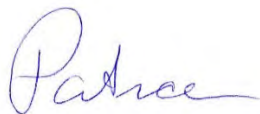

CHUBB is a true corporate partner and has been for decades. For longer than any of us have been involved, CHUBB has occupied a Board seat, served on the Corporate Leadership Council, attended a Gala or donated to our mission. We are very thankful to Brian Murphy who has carried on that excellence in leadership and support for Cornerstone.

In our 210-year history, we have remained true to our mission of supporting children, families and communities, and have never been prouder of the work we do in our community. Our children are safe, educated, active and fed. Our teens are engaged, productive and planning for their futures. Our parents can work and provide for their families. Our seniors are able to see their friends and socialize. Our female veterans are supported and growing. We are so much more than programs, and tonight, you will be treated to a performance that is so much more than recreation.

The Spring Gala is the culmination of many months of work. This night would not have been possible without the support of our Board of Directors and Corporate Leadership Council. I want to especially thank Gwenn DellaPelle and Michelle Seres and all the staff who are here this evening. They make the magic happen here and in our programs.

We continue to live our mission and help our neighbors. The demand for programs and services continues to grow and our communities face extraordinary hurdles and the uncertainty of long-term challenges. We cannot do it alone and count on you to support us this evening. Please have fun, give generously, and remember why we are here – ***we believe everyone deserves a chance for a happy, healthy, and productive life!***

Warm regards,

Patrice Picard  
Chief Executive Officer

## cornerstone family programs & morristown neighborhood house

Better Lives, Stronger Communities

Cornerstone Family Programs and Morristown Neighborhood House together serve nearly 6,000 children, families, veterans and seniors in our community with a shared mission of strengthening communities by helping people build better lives.

Our children and youth receive quality educational and social development opportunities within a safe space. Morristown Neighborhood House offers year-round, full day preschool care, a comprehensive afterschool program, programs for teens as they prepare for life after high school, and summer camp programs to keep children safe while school is out of session. Our caring staff serves over 450 healthy meals and snacks a day, and 800 meals every day during the summer months, ensuring that our children receive quality nutrition as they reach their full potential.

We also open our doors to the community. Workforce preparedness, language education, and skill-building programs build resiliency in our families. Our parents can work and participate in our programs while knowing their children are safe.

Cornerstone Family Programs also supports the female veteran community. New Jersey's only Female Veterans Program run by female veterans, Operation Sisterhood, provides a peer-support model for our women in uniform.

Our seniors and caregivers at the Adult Day Center at Morris View remain active and healthy through daily social interaction and fun games. Caregivers are provided specialized support as they balance work and family time while taking care of their loved ones.

Cornerstone Family Programs and Morristown Neighborhood House make a difference every day in the lives of so many in our community. From our preschool toddlers to our seniors and caregivers, our programs give everyone the chance to live a happy, healthy, and productive life.
